SYSTEM
DOOR
HANDLE

ÖNEMLİ NOTLAR

SYSTEM Furniture Accessories sadece önceden boyanmış ve boyası tamamen kurumuş zemin ve ortamlarda tatbik ve montaj edilmelidir. Ayrıca önemle bilinmelidir ki; bazı kimyasal temizlik malzemeleri (deterjan, asit, alkol ve çözücüler...) yüzey kaplamasına zarar verebileceği için kesinlikle tavsiye edilmez. SYSTEM ürünleri sadece kuru ya da nemli bez ile silinmelidir.

SYSTEM Furniture Accessories, gerekli gördüğü zamanda ve durumda, önceden haber vermeksizin modellerde ölçü, renk, şekil değişikliği yapma, hatta modeli tamamen üretimden kaldırma hakkına sahiptir.

Bu kataloğun tüm çoğaltma hakları Tem Mobilya Aks. San. Tic. Ltd. Şti'ne aittir. İzinsiz çoğaltılamaz.

Bu katalogdaki tüm ürünlerin endüstriyel tasarım hakları TÜRK PATENT BİRLİĞİ'nce SYSTEM Furniture Accessories tarafından koruma altına alınmıştır.

Baskıdan kaynaklanan hatalardan SYSTEM Furniture Accessories sorumlu değildir.

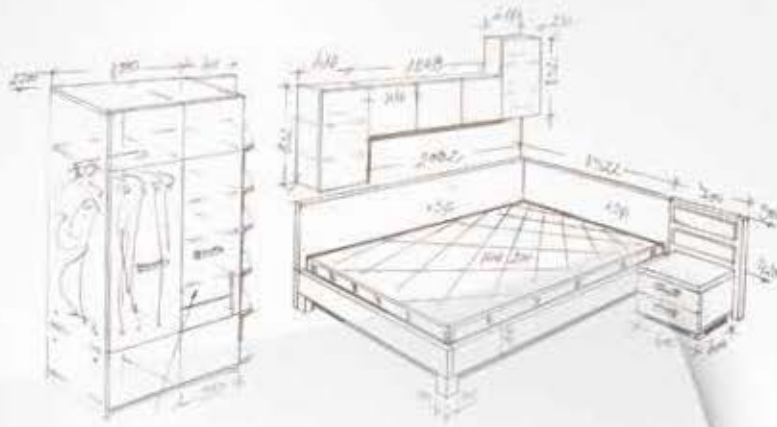

IMPORTANT NOTES

SYSTEM Furniture Accessories products must only be installed once the walls, ceilings, doors and windows have been painted and are completely dry. Please know that some cleaning chemicals (detergents, acids, alcohol, dissolvents...) can be corrosive and can damage the surface of the products. SYSTEM products must only be cleaned with dry or half dry cloth.

SYSTEM Furniture Accessories has the right to modify dimensions, shapes of finishings as well as eliminating models whenever if necessary without previous notice to the customers.

This catalogue is protected by Turkish copyright law and by law all rights are reserved. No parts of this catalogue may be reproduced in any form or any means.

In this catalogue; all the industrial designs of products are under production by TURKISH PATENT INSTITUTE towards of making copy with legal laws of government.

SYSTEM DOOR HANDLE

Firmamız; TEM MOBİLYA olarak; 40 yılı aşkın tecrübemiz ile 2002 yılında "System Furniture Accessories" markasını kurduk.

Özgün tasarımlarımızla; mobilya kulpları, mobilya ayakları ve çeşitli profillerden oluşan ürün gamımızla; faaliyete geçtiğimiz günden itibaren her yıl; hem iç hem de dış pazarda artan müşteri sayımız ve üretim kapasitemiz ile yükselen bir başarı grafiği sergilemekteyiz.

Faaliyete başladığımız ilk günden itibaren yaratıcılık, tasarım, model geliştirme ve ARGE çalışmalarına verdiğimiz önemle; şimdi de "SYSTEM DOOR HANDLES" markası adı altında başladığımız kapı kolu üretimi ile kapı ve kapı kolu sektörüne hizmet vermeyi hedefliyoruz.

7500 m² kapalı alanda; tüm üretim süreçlerini 180 kişilik, konusunda profesyonel ekibimizin dikkatli ve hassas kalite kontrolleri ile takip ederek; ham maddeden paketlenmeye kadar uyumlu bir ekip çalışması ile, temel ilkesi %100 müşteri memnuniyeti olarak üretim yapmaktayız.

Yeni 2013 "SYSTEM DOOR HANDLES" kapı kolu kataloğumuzu; yeniliklere ve tasarıma verdiğimiz önemle bir kez daha sizlerin beğenisine sunuyoruz. Siz müşterilerimizin beğenisi en büyük ödülümüz olacaktır.

Our company, TEM MOBİLYA established 'SYSTEM FURNITURE ACCESSORIES' in 2002 with a unique design of furniture handles, furniture legs, hooks and various aluminum profiles upon having an experience in the market over 40 years. Since the production initiation day we have been proving an upward scale in success by performing in the domestic and international markets with an increasing number of customers and production capacity.

Since the beginning of our business activity we have been giving priority to the design and design developments, creativeness and R&D. Now, based on these values, we launch our new brand "SYSTEM DOOR HANDLES" by targeting on giving service to door & door handles business field.

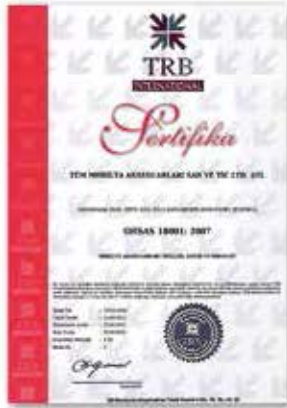

Within a 7500 square meter indoor production facility, our goods have been produced in harmony by 180 highly skilled professionals after a thorough and detailed quality controls performed from the moment of receiving the new materials until packaging the goods with a 100% customer satisfaction aim upon production.

With our commitment to design and innovation we present our new 2013 door handle catalogue "SYSTEM DOOR HANDLES" to your applause. Our customer's appreciation will be our utmost reward.

TASARIMDAN SON KULLANICIYA KALİTE

Değişen mobilya trendlerine ayak uyduran, hızlı bir tasarım ekibi tarafından hiç durmadan üretilir.

Endüstriyel mobilya tasarımı ve üretimi yapan müşterilerimizin ihtiyaçlarına yönelik, farklı ve özel tasarımlarla, farkı arayanlara özgün seçenekler sunulur.

Son teknolojiyi kullanarak, kalite odaklı üretim süreci, hassas ve tavizsiz bir kalite kontrolle sonlandırılır.

Ortaya çıkan ürünün tasarımcıların beğenisini kazanması yetmez, üretimden ambalaja kadar son kullanıcının sağlığını gözeten, çevre dostu da olmalıdır.

Satış sonrasında ise tek bir kriter vardır: Koşulsuz müşteri memnuniyeti.

QUALITY FROM DESIGN TO CONSUMER

The design team keeps up with the varying furniture trends and constantly produces.

We provide genuine selections upon our clients -that design and produce industrial furniture- needs and looking for different & unique designs.

The production process ends up in delicate hands and without compromising on quality control

via using the advanced technology and high quality-oriented point of view

It is not satisfactory to have the acclaim of the designer but also it should be eco-friendly throughout the processes from production to packaging.

There is only one criteria after sales ; " Unconditional Customer Satisfaction"
